County of Ventura Public Records

**A document has been released for
record request #26-1991 along with the
following message:**

Dear Steve,

I wanted to provide some clarification regarding the SOAR materials associated with General Plan Amendment (GPA) 98-1

During our review of the records associated with the County's GPA 98-1, which adopted the SOAR ordinance, we did not identify a separate map showing SOAR boundaries. Instead, the ordinance itself states that SOAR applies to lands designated Open Space, Agricultural, and Rural on the Ventura County General Plan Land Use Map, as revised on September 16, 1997. As a result, the SOAR boundaries are reflected through those land use designations shown on that map.

We previously transmitted the September 16, 1997 General Plan Land Use Map as part of our response to your request. For your convenience, we have attached that map again to this transmittal.

Please let us know if you have any further questions.

Best regards,

Luz Juachon, Administrative Assistant II
RMA / Planning
